

THE SAFE STORE INITIATIVE

COVID-19 mandatory hygiene for all grocery & hardware stores & pharmacies.

Customers:

1. Wear a **homemade*** face mask.

**DO NOT ENTER THE STORE
WITHOUT A FACE MASK!**

2. Sanitize your hands.
3. NEVER touch your face or mask with your hands.
4. Disinfect the card reader before using.

How to make
a face mask.

Carts

1. Each customer should wipe down the handle with sanitizing wipes before touching.

Store Employees:

1. Wear a mask. Make sure it fits well.
2. Disinfect checkout surfaces and rolling belt with each use.
3. Wear gloves and sanitize between each customer.
